

Enhanced Living

Between assisted living and long-term care, it's the care that's *just right*.

	Assisted Living	Enhanced Living	Long-Term Care
Overview	Based on individually assessed needs, these helping-hand services enable each resident to live as independently as possible.	For those who need a little more help than assisted living provides but who would be over-served by long-term care.	Wrap-around, 24/7 clinical support for those who have chronic illness or are recovering after accident, surgery or illness.
Individually tailored care plan	Included	Included	Included
Staff-to-resident ratio	20 to 1	12 to 1	8 to 1
Floor plans	Homelike setting offers one- and two-bedroom apartments with small kitchens. Residents supply many of their beloved home furnishings.	Homelike setting primarily offers studio apartments. Additional furnishings can be provided by residents.	Rooms furnished by Wesley on Grand to maximize medical access and treatment.
On-call help	Residents wear pendant for emergencies	Residents wear pendant as an anytime-call light	Residents have call light available in room
Access to activities and programs on the Wesley on Grand campus	Full access	Full access	Limited, per medical requirements

Respite Stays Available

For yourself or a loved one, a brief residency in Enhanced Living gives a clearer sense of what this service can provide – and helps you decide if it's the right choice. Ask for details about scheduling.
